

# All about us!

We are a successful family business that was established in 1989, so we've been operating for over 30 years. Relieving our clients of the stress and confusion often caused by having to deal directly with a range of large companies.

And being a family concern, we are proud to offer a personalised service that responds with the very best advice and support according to individual needs.

While we are based in Melbourne, we operate Australia wide giving value for money as we identify and secure personal and business loans and insurance for our valued clients at very competitive rates.

We also provide obligation free quotes, so we can't be any fairer than that.

And the reason we've been in business for so long, is that our clients keep on coming back.

# Why use a finance broker?

**We'll get you the most competitive deal available on loans because we have the flexibility of dealing with a variety of lending institutions.**

We are a family business offering a personalised service that will save you time, money and frustration because we speak the language of the leading financial lenders.

We understand their jargon and loan criteria, so we can better match your financial needs to the most appropriate lenders, allowing you to make an informed decision, as well as expertly crafting your loan application so that it ticks all of the boxes.

We can even arrange your insurance if you'd like.

Whether it's private or commercial advice and support that you're seeking, we've been successfully providing specialised financial services for over 30 years, so we know that we can give you *what you want*.
